1. The present chamber summons is seeking to amend the plaint by substituting para 20 of the plaint which is a jurisdictional clause. The said amendment is granted. However, it is made clear that if the plaintiff seeks any relief under clause 12 they will give notice of such leave petition to the defendant before applying for such a leave. All contentions on merits whether the leave should be

granted or not after the suit is numbered are kept open. The chamber summons is disposed of accordingly. No order as to costs.
